

MAYOR AND COUNCIL AGENDA

NO. //

DEPT.: Community Planning and Development Services / DATE PREPARED: 9/1/05
STAFF CONTACT: Rebecca Torma, Planner II FOR MEETING OF: 9/12/05

SUBJECT: Introduction of resolution to enlarge corporate boundaries; Annexation Petition ANX2005-00138, Westmore Development, LLC and Meadow Lo Corporation. Petition for annexation of 10.51 acres of land known as 950 North Stonestreet Avenue, legally described as part of Parcel A, Parcel B and the third parcel which is owned by Meadow Lo Corporation.

RECOMMENDATION: Introduce a resolution to enlarge the corporate boundaries of the City.

DISCUSSION: The petitioners request annexation of the referenced property, consisting of three parcels of land with approximately 10.51 acres in size into the City of Rockville. Two of the parcels are known as "Part of Parcel A" which consists of 0.293 acres and "Parcel B" which consists of 10.057 acres. The third parcel is known as "Meadow Lo Corporation" and consists of 0.155 acres. Part of Parcel A and Parcel B is currently developed with three radio transmission towers and a small radio station and served by an onsite private well and septic system. See Attachment 1 for a map of the subject area.

The subject property is currently zoned I-1 in Montgomery County and is considered to be part of "Area 5" in the joint City/County study of the East Gude Drive/Dover Road area, as stated in the City of Rockville's *Comprehensive Master Plan* that was adopted November 12, 2002. The current *Comprehensive Master Plan* states "annexation for properties in Area 5 would be considered favorably for sites that fall within the City's I-1 zone." However, the 1984 Lincoln Park Neighborhood Plan, as well as the revised draft of that Plan, recommend annexation of the property and placement in the R-60 Zone. In April 2004, Montgomery County adopted the *Upper Rock Creek Area Master Plan*. This plan recommended that "the property retain the I-1 Zone, to allow for low intensity light industrial uses that do not require community water and sewer service." It also strongly supported "residential development ... over the long term and support recommendations in appropriate City of Rockville master plans for residential development, including elderly housing, if annexation occurs." The draft Lincoln Park Neighborhood Plan recommends the property to be developed with a mix of single-family detached and attached (townhouse) units.

The petitioners request that upon annexation the majority (10.35 acres) of the subject property be Zoned R-60 (One-family detached, Residential) in the City of Rockville. The other portion known as "Meadow Lo Corporation" requests that upon annexation that it be classified as "I-1" (Service Industrial) under the City of Rockville's Zoning Ordinance. The applicant proposes a development for 22 single-family detached dwellings and 65 townhouses. Most of the single-family homes will front on Ashley Avenue and the Townhouses will be interior to the site.

The development proposal for this site includes the following pending applications:

1. TXT2005-00217, text amendment to amend the standards and requirements for the Residential Townhouse District (RTH) Special Development Procedure.

2. RTH2005-00019, initial application to provide for 22 single family detached dwellings and 65 townhouses

The subject petition has been submitted in accordance with provisions of Article 23A of the Annotated Code of Maryland, which specifies procedures for annexation to a municipal corporation. The law requires the Mayor and Council to introduce a resolution to propose annexation promptly upon being petitioned to do so.

Board and Commissions Review: Section 25-99 of the City of Rockville Zoning and Planning Ordinance requires the Planning Commission to hold a public hearing so that interested persons who wish to speak and/or submit written comments into the official record have an opportunity to do so.

Next Steps: The Mayor and Council would hold a public hearing on the request on November 21, 2005. The Planning Commission will hold a public hearing on October 12, 2005.

IN THE MATTER OF THE PETITION OF :
 WESTMORE DEVELOPMENT, LLC and : Annexation No. ANX2005-00138
 MEADOW LO CORPORATION :
 FOR ANNEXATION :

PETITION FOR ANNEXATION

The undersigned property owners ("Petitioners") hereby petition the Mayor and Council of the City of Rockville, pursuant to Section 19, Article 23A of the Annotated Code of Maryland, to annex property into the corporate boundaries of the City of Rockville. In support of this request, the Petitioners state as follows:

1. The property which is the subject of this Annexation Petition consists of three (3) parcels of land containing a total of \pm 10.51 acres of land. (See attached tax plate map; marked as Exhibit A.) Two (2) of the parcels are owned by Westmore Development, LLC (formerly Rankin Development, LLC) and are known as Part of Parcel A consisting of 12,758 square feet or 0.293 acres of land and Parcel B consisting of 438,088 square feet or 10.057 acres of land. The third parcel owned by Meadow Lo Corporation consists of 6,751 square feet or 0.155 acres of land. The property is located on the north side of Ashley Avenue, the west side of Westmore Drive and east of the CSX railroad tracks as shown on the attached tax plate map (Exhibit A).

A more detailed description of the three parcels sought to be annexed is set forth by metes and bounds description in Schedule A1 (covering the two (2) Westmore Development LLC parcels) and Schedule A2 (covering the Meadow Lo Corporation parcel), a deed location plat/sketch for the Meadow Lo Corporation parcel (marked as Exhibit B), and an ALTA/ACSM Land Title Survey for the Westmore Development LLC parcels (marked as Exhibit C), all attached hereto as the "Subject Property".

2. The Subject Property is contiguous to and adjoining the existing corporate limits of the City of Rockville.

3. Annexation of the Subject Property will not create any unincorporated area which is bounded on all sides by real property presently within the corporate limits of the City of Rockville, or real property proposed to be within the City of Rockville, or real property proposed to be within the City of Rockville as a result of the proposed annexation, or any combination of any such properties.

4. The Subject Property is owned by the respective Petitioners which own one hundred percent (100%) of the assessed value of the property in the area to be annexed.

5. No persons registered as voters in the County reside on the Subject Property. Accordingly, no additional consents are necessary for the Petition.

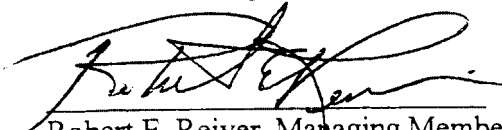

6. The Subject Property is identified in the City's Comprehensive Master Plan (adopted on November 12, 2002) as a critical site for the City and is recommended for annexation and development with residential use. As such, annexation of the Subject Property would achieve stated Master Plan goals and provide a logical corporate boundary for the City of Rockville.

7. The Subject Property is currently classified in the I-1 (Light Industrial) zone in Montgomery County. Petitioner Westmore Development, LLC requests that upon annexation its property be classified as follows: Part of Parcel A which consists of 12,758 square feet (or 0.293 acres) of land be classified in the City's I-1 (Service Industrial) zone; and Parcel B which consists of 438,088 square feet (or 10.057 acres) of land be classified in the R-60 (One-Family Detached, Residential) zone. Petitioner Meadow Lo Corporation requests that upon annexation its property (which consists of 0.155 acres of land) be classified in the City's I-1 (Service Industrial) zone.

WHEREFORE, Petitioners respectfully request that the Mayor and the Council of the City of Rockville initiate all steps necessary for final enactment of a resolution annexing the Subject Property into the corporate boundaries of the City of Rockville, including the development of an Annexation Agreement to be executed between the Mayor and Council and Petitioners prior to adoption of the resolution, as well as a companion resolution rezoning the Subject Property to the R-60 and I-1 zones as requested above.
